Standards of Excellence

- Create a safe nurturing environment that encourages students to accept and find the best in themselves and others.
- Build positive relationships as an effort to promote high levels of performance and commitment to future success.
- Help students find the inner confidence they need to take calculated risks and set goals in their lives.
- Instill in students a sense of responsibility and respect for themselves, their school, and their community.
- Challenge students to reach their full academic potential by making deliberate plans to provide a rigorous course of study while ensuring that every student understands the relevance of a good education.
- Commit to our mission to engage students in a rigorous, inquiry-based interdisciplinary curriculum while developing mutual respect and responsibility.
